EXPLANATION OF PROGRAMS

Aid to Familes with Dependent Children (AFDC)

This program helps provide the day-to-day financial needs of low-income families with children who are dependent because of absence of parent; incapacitated parent; or more recently, unemployed parent.

Medical Assistance

This is a supplement to the AFDC program which provides medical assistance to low-income families. For our reports, each person is counted as a case. Following is an explanation of Table 2:

Receiving Authorized Assistance from AFDC or SSI – Persons receiving both medical and financial assistance.

Not Receiving Assistance – Low-income persons who qualify for financial and medical assistance but receive only medical assistance. They are no longer eligible for the financial assistance because they live in a nursing home or other type of facility.

Medically Needy – Persons receiving medical assistance only because their income is above the financial assistance standard.

General Assistance, County Medical, Transient Relief, Burials

These are county-operated programs. They provide various types of temporary assistance for persons in need who do not qualify for Federally-assisted programs.

Food Stamps

This program supplements the food costs of low-income households with food stamps that are redeemable for groceries. We report this data by household (case) recipient and amount. There are two kinds of assistance:

Public Assistance – Persons receiving food stamps in addition to AFDC or General Assistance.

Non-Assistance – Persons receiving food stamps only.

Day Care

This program provides organized services for the direct supplemental care of children away from the child's home for a portion of a 24-hour day.

Title XX Regular – Day care for children of employed parents who are also receiving AFDC or whose income is less than 150% of AFDC payment levels.

Sliding Scale – Day care for children of working parents with income between 150% of AFDC payment level and 75% of the State's median income. SRS contributes from 92.3% to 7.7% of the day care costs, depending on the family income, and the parent contributes the balance.

WIN – Day care for children of AFDC recipients participating in WIN-sponsored training and/or children of WIN clients entering employment. WIN day care is also provided during the first 30 days of employment.

Title XX CWS – Day care for children of neglectful parents to prevent placement in substitute (foster) care.

Title IV-A – Money payment added to the AFDC grant as a special need to reimburse child care expenses for parents in training.

Foster Care

This table indicates the number of children and the total foster care payments by county of financial responsibility. It includes children placed in foster family homes, group homes, and child care agencies, both in-state and out-of-state. Those children who are in foster care, but no payment is being made by SRS, are not included.

AFDC – Includes all children in care who meet the eligibility requirements for AFDC foster care and includes AFDC Ward and Vietnamese.

CWS – Includes all other children in placement.
